Objective

I am looking for a position in Web Development. I enjoy the creativity and the logic that goes into building websites of different places. One of my favorite projects in my program was building a website for a dog behavior specialist. I was able to sit down with the client and plan out the site that would best suit her needs and the vision she had for her business.

Technical Skills

Javascript, HTML5 CSS, SCSS, Bootstrap, Python, Lua, SQL, MySQL, Java, React, C++, InscAPE, Pixler

Projects

My Pet | https://techwise-team-15.github.io/my_pet/

Summary: My Pet is a 2D game I designed with a team. My Pet is a game where the player can choose the type of pet they want to care for.

Rover and Whiskers | <http://aakreruth.com/Portfolio/Final/HomePage.html>

Summary: Rovers and Whiskers is a business site I designed for a dog behavior specialist.

Survive The Apocalypse | <https://www.roblox.com/games/13513686655/Survive-the-Apocalypse>

Summary: Survive The Apocalypse is a 3D I designed. It is a wave style game where the players see how long they can survive the Zombie Apocalypse.
